EXECUTIVE REGISTRY	
85-	1222

29 April 1985

U-81/DR

The Honorable William J. Casey
Director of Central Intelligence
Washington, D.C. 20505

Dear Mr. Casey:

I note that one of your key committees, the Joint Atomic Energy Intelligence Committee (JAEIC), is currently without a chairman. I have not yet seen a community request for nominees for this key position, but I would expect such a request in the near future.

To ensure that the Intelligence Community obtains the services of the best qualified person for this position, I would like to nominate a member of this Agency, [redacted] on loan to us from [redacted]. [redacted] is currently serving as my Nuclear Division Chief, in our Directorate for Scientific and Technical Intelligence. His work here with us has been exceptionally outstanding and I strongly believe that he would make a significant contribution to our national intelligence capabilities as Chairman of this key committee. I have attached a brief biographic sketch of [redacted] for your information.
